

International Development: An Interdisciplinary Conversation

OCTOBER 4, 2018 | 4:00PM-6:00PM

This event will bring together leading experts on the politics, economics, and history of international development to share the most exciting developments in their respective fields and to discuss how scholars of development in different disciplines can better talk to each other, and why they should. It will mark the publication of the new book,

The Development Century: A Global History. Edited by Stephen J. Macekura and Erez Manela, this volume offers a cutting-edge perspective on how development has shaped the history of the modern world.
