INSIDIOUS THREATS TO ACADEMIC FREEDOM IN THE US AND ABROAD

MICHAEL IGNATIEFF

President, Central European University

In many countries, universities are being closed and academic contributions to informed public debate are threatened—or even silenced by direct political force. What is the political logic behind these attacks, and what will the consequences be for academic freedom and democracy worldwide?

CRAIG CALHOUN

President, Berggruen Institute

**MARCH 21, 2018
